She opened up her eyes and thought Oh, what a morning

*SI* *MI* *MIm*

It's not a day for work It's a day for catching sun

*SI* *FA#* *MI*

Just laying on the beach and having fun

She's going to get you

## Refrain

*SI* *LA* *MIm*

All that she wants is another baby She's gone tomorrow, boy

All that she wants is another baby

All that she wants is another baby She's gone tomorrow, boy

All that she wants is another baby

So if you are in sight and the day is right

She's a hunter, you're the fox

The gentle voice that talks to you

Won't talk forever

It is a night for passion

But the morning means goodbye

Beware of what is flashing in her eyes

She's going to get you

All that she wants is another baby

She's gone tomorrow, boy

All that she wants is another baby

All that she wants is another baby

She's gone tomorrow, boy

All that she wants is another baby

All that she wants is another baby

She's gone tomorrow, boy

All that she wants is another baby

All that she wants is another baby

She's gone tomorrow, boy

All that she wants is another baby
